

**JOB POSTING**  
**Distribution Technician 1, 2, or 3**  
September 16, 2024

KWD is seeking to fill a Distribution Technician position in Waterville, Maine.

**What's in it for me?**

- You'll be paid weekly. **\$19 - \$32** per hour depending upon education, years of experience, and commercial driver's license class.
- You'll have steady work hours and you'll be home every night.
- We observe Maine state holidays which means 13 paid days off. This is complemented by additional generous paid leave time.
- You'll have the satisfaction of making a positive difference in the communities we serve. Safe drinking water is essential to life and health.
- You'll have good opportunities for overtime, advancement, and professional development.
- We pay 85% of your health insurance (including your family! Or we'll pay you a generous opt-out if you are covered by a comparable plan by your spouse's employer). We pay 100% of your dental insurance. And we provide great retirement savings.
- You'll get lots of fresh air with year-round outside construction and maintenance activities.

**What will I do in this job?**

- You'll repair, maintain, and replace water distribution system components including fire hydrants, valves, and piping.
- You'll drive and operate heavy equipment including several construction trucks, a dump truck, a front-end loader, a vacuum truck, and other equipment.
- You'll be part of a skilled team that works together to maintain and operate our water system.

**What qualifications do I need?**

- Class B commercial driver's license with tanker endorsement (or ability to obtain within one year).
- High school diploma or high school equivalency certification.
- A desire to work hard and a proven ability to excel in a construction environment.

**How can I apply?**

- Download an application at <https://kennebecwater.org/about-us/employment-opportunities/>

**Who we are?**

- KWD is a public utility focused on reliably delivering safe drinking water to more than 22,000 people.
